Point Marion Area Organizations, Business and Churches:

The Annual Point Marion Community Autumn Parade will be held on Tuesday evening, October 29, 2024, beginning at 6:00 P.M.

The Point Marion Rotary Club, once again, has accepted the task of coordinating the Parade and costume judging activities that follow the parade. Members of the Rotary Club will organize and participate in the parade, as well as arrange for the judging of the costumes and award prizes. Also, they will package and distribute the treats to the mummies and band members who participate in the activities.

Many volunteers from the community have helped a great deal with this fall event in the past years, and will do so again this year. Volunteer judges and members of the Fire and Police Departments who help with the parade are just a few of the many people that are needed to make this activity so successful for our area children year after year.

Organizations, businesses and individuals in years past have also contributed donations for the purpose of buying the candy and treats that will be distributed to the youngsters. Due to the wonderful participation of the area children we once again will prepare over 300 treat bags, with any extra treats being donated to the Ronald McDonald House in Morgantown. Also, treats will be distributed to each of the marching units or bands that participate in the parade. Your support in helping with the cash awards for costumes, or the purchase of candy, chips and other treats is needed, and will be very much appreciated.

If your contribution will be made by check, please make the check payable to "Point Marion Rotary Club", and mail to the address listed below. Thank you so much for your continued support of this wonderful community project.

Sincerely,

Philip S. Rishel, Secretary
