Others present: Anthony Jordan, Wilma Cottrell, Frank Cottrell, Joe John, and David Everly

Roll call was taken and a quorum was not established therefore Vice-President Jack Stewart declared a regular Borough Council meeting could not occur.

Secretary/Treasurer suggested to the Vice-President and council since there were individuals present to go ahead and let them speak and take their concerns the council agreed to listen.

Public Comment

Wilma Cottrell spoke and ask about the water bill with respect to Saulis. Council responded that a lien has been filed in the courthouse. There was some discussion and the Cottrell's wanted to know how and what the total was and how to obtain it. After some discussion concerning the Saulis property presently owned by the Cottrell's it was decided to have all concerned parties contact McMillen Engineering and Jack would inform the engineering firm that this would be taking place all council wants is the both structures demolished and the properties to be made safe within the borough limits.

Joe John spoke before the council present concerning the code violation he received for high grass. He commended Council for the way residential concerns are received and handled within the borough and council.

Wendy Cottrell proposes to council to purchase 5 additional picnic tables at a cost of approximately \$160.00 per table. Council informed Wendy they would take that up at the next council meeting. Also Wendy ask if the baby changing station could be removed since it has been damaged and feels it would be dangerous at this point to use. Council informed Wendy they didn't think park committee needed approval if it was a danger then remove it.
